## **FIVE PROMISES TO YOU**

Hiring the right bankruptcy firm is a difficult decision and it is hard to decide whom to hire. At Heupel Law, we make the following five promises:

### **FIRST PROMISE**

We offer a FREE one-hour consultation to analyze your financial situation.

### **SECOND PROMISE**

If you file bankruptcy with us, the Bankruptcy Court will accept your petition or we will REFUND your attorney fees.

### **THIRD PROMISE**

If your case is dismissed because we did something wrong, we will re-file your case again FREE.

### **FOURTH PROMISE**

Follow our steps and processes, and you will get a discharge of your debts or we'll REFUND your attorney fees.

### **FIFTH PROMISE**

If we make a mistake, we will fix it FREE even after your bankruptcy is completed.

These promises set us apart from other bankruptcy firms. At other firms, sometimes you are just another dollar sign in their pocket, but at Heupel Law, we want you to be successful and we are going to help you get a fresh financial start!

Disclaimer: Nothing in the above promises is meant to guarantee or promise any particular result; these promises are our promise as to what we will do in the event that the above-referenced result is not achieved.
